

Lentini Communications, Inc.

has moved to new, larger facilities at:

221 Christian Lane, Unit A

Berlin, Ct. 06037

Ph. (860)828-8005 Fax (860)828-1170

**We are having a Grand Opening and
Open House on July 11, 2009, 9am-2pm.**

Ray Novak, Division Manager from Icom America will be here demonstrating and discussing Icom HF, VHF/UHF, and D-Star equipment, with a large Icom display. We will be raffling a VHF radio, a power supply, antennas, etc. throughout the day. We will also have Coffee, donuts and sandwiches.

Come on down and see our new location on Christian Lane in Berlin, Ct. Enter the facility via the driveway by the Power Line Tower and the Archadeck business on the roadside. Come up the hill to the new building behind Archadeck. We are in Unit A.

Enter the raffle and have the chance to win! No purchase necessary. We want you to know where we relocated from being in Newington since 1976.
